

## **AWS Lights, Camera, Action; Your Personal Director**

**Your Director Says:** Print this out prior to recording. Read the directions below prior to starting. Follow the directions. Glance at this during your webinar every 10 minutes or so and follow the directions. This will keep you on track and give you direction to record your most valuable webinar.

1. Relax
2. Have Fun
3. Smile
4. Breathe
5. No Pressure
6. This is NOT live, don't worry about anything
7. Give Non-Stop Value
